Professional Experience

Concept Artist, Turbine Entertainment Software (Aug 2007-Dec 2008)

- Made concept designs for multiple MMORPG's, ranging from character and creature designs to environment overviews, cinematic color key paintings, avatar armor set creation, UI design, and other concept assistance
- Worked closely with in-house and outsourcing artists to guide development of 3D assets for Turbine's franchises, as well as collaborating with artists at every step of the production pipeline
- Worked throughout the entire production cycle of the Lord of the Rings: Mines of Moria expansion pack
- Made live update material for the Lord of the Rings Online: Shadows of Angmar and Dungeons & Dragons Online: Stormreach

Freelance Fantasy Illustrator (Feb 2006-Present)

- Illustrates and designs for various gaming formats. Projects have included colored turnaround drawings for sculpted miniatures, card illustrations, line art and painted illustrations for RPG books, rendering of line art based on restricted color palettes, website illustrations, and album covers
- Industry clients include:
 - Wizards of the Coast
 - Blizzard Entertainment
 - White Wolf Publishing
 - Green Ronin Publishing
 - Imaginary Friends Studios
 - Sovereign Press
 - Upper Deck Entertainment
 - Sony Online Entertainment
 - Sabertooth Games
 - Tenacious Games
 - Games Workshop
 - WizKids

Freelance Commercial Illustrator (March 2003-Present)

- Produced artwork for mural designs, website illustrations, print advertisements, and logos
- With one co-worker, painted a mural with dimensions of appr. 120' x 13'6"
- Clients included:
 - United States Centers for Disease Control and Prevention
 - Paul Werth Associates
